

## GameAccount rummy

An alternative to rummy royal is Red Hot rummy. This online rummy room cannot hold the candle to the other rummy room mentioned above but it is worth a try. The funny thing about this rummy room is that they have bots. This means that you don't have to play against a human all the time.

Red Hot Rummy 100% sign up bonus

Red hot rummy is one of the first online rummy rooms out there together with rummy royal. They offer a 100% deposit bonus, which means that you get your money doubled. i.e you deposit \$50 and you get an additional \$50 bonus.

Red hot rummy is famous for it's gin rummy games. Because there are only few online rummy rooms we can't really rate it.

If you want to play on this room:
